

# Brown Flax Seed Bio 250 g Ecosana

SKU: 467010058 EAN13: 8436012944353

## Description

From 100% **organic farming**, **ECOSANA's Bio brown flax seeds** retain all their properties intact, thus contributing to caring for the environment. These seeds are characterized by their **high nutritional value**, providing us with many benefits for our body. This excellent food stands out in its composition, for being one of the richest vegetable sources in **omega 3, with a higher content than golden flax seeds** and for its **fibre content far superior to a cereal** that makes it ideal. for people suffering from constipation and to cleanse our body of toxins. It also contains **vitamins of group B and E** **and they are rich in phosphorus and calcium**. Combined within a balanced diet, flax seeds are perfect to accompany all kinds of dishes and recipes; added to legumes, in salads or in your homemade breads. Drink them whole, soaked in drinks or ground to take advantage of all their properties.
