

Soya Lecithin IP 450 g Natursana

SKU: 467010083 EAN13: 8436044511585

Description

NATURSANA's IP Soya Lecithin is obtained from soybean seeds from non-genetically modified crops, which have certified traceability; certification referred to by the initials IP (Protected Identity).

The **IP certification** guarantees the **absence of genetically modified organisms** in the entire process of obtaining lecithin, ranging from its origin to the final product. Guaranteeing, in addition, that it has been elaborated in a way that is respectful with the environment.

It is presented in a granular form and its flavor has nuances that are reminiscent of the flavour of walnuts.

Ingredients

Granulated IP **SOYA** lecithin.

Directions

It is recommended to take 1 or 2 tablespoons in one of the main meals, either alone or incorporated into meals (yogurt, salads, legumes), since it has a neutral flavor and would not alter the taste of the food. It can be taken continuously, as long as it is considered necessary.

Presentation

Contains 450 g

Warnings

Store in a cool, dry place.

Contains **Soya**.

May contain traces of **Nuts and Sesame**.
