SKU: 467010193 EAN13: 8436012944933

Description

Ecosana's Oat Flakes are obtained by dehulling, grinding and pressing 100% oat grains from **organic farming**, ensuring the **absence of gluten** throughout the production chain until it reaches the final consumer. Oats are a cereal which until recently was thought to contain **gluten naturally**. However, recent research indicates that the presence of gluten in this cereal is due to the **cross contamination** that can occur during the harvest, transport, storage or subsequent treatment of cereals, by cereals that do contain it naturally, such as **wheat, barley or rye, which make gluten intolerant people unable to take it**. That is why Ecosana's oat flakes have undergone several exhaustive controls that guarantee the enjoyment of all the benefits and nutritional properties of oats for those **celiac people** who must follow a **gluten-free** diet. It comes as fine oat flakes, very quick to cook. 5-10 minutes are

ready. WITH BETA-GLUCANS TO CONTROL CHOLESTEROL*
