

White Almond Bio 100 g Doypack Ecosana

SKU: 467010456 EAN13: 8436012948955

Description

Committed to the highest product quality and respect for the environment, **ECOSANA White Almonds Bio** are obtained from sustainable cultivation systems that strictly comply with **organic production standards**:

- Without pesticides, fertilizers or herbicides of synthetic origin.
- Without additives, colorants, flavours, aromas...
- Without genetically modified organisms.

With a great multitude of properties, this dried fruit provides a **high density of nutrients**. They come peeled! Ready for you to add to your salads, as a topping in your yogurts or simply for you to take between meals as a snack!

The sustainability goal of the Ecosana line is to generate the least possible environmental impact. For this reason, the dry fruit doypacks are compostable to prevent them from becoming harmful waste for the environment and reduce polluting emissions into the atmosphere. This type of packaging not only degrades, but also becomes compost.
