SKU: 467010469 EAN13: 8436012949068

## Description

They are 100% ecological, so their cultivation and collection has been carried out following criteria that are respectful with the environment, without using any artificial substance.

The sustainability goal of the Ecosana line is to generate the least possible environmental impact. For this reason, the dry fruit doypacks are compostable to prevent them from becoming harmful waste for the environment and reduce polluting emissions into the atmosphere. This type of packaging not only degrades, but also becomes compost.
